Sheltering Families, Building Futures

Family Promise of Ontario County *Transforming Lives, One Family at a Time*

Our Mission

To empower families threatened with or experiencing homelessness to access shelter, support, and a path to permanent housing through a community-based response.

Our Vision

We envision a community that supports every family in Ontario County to have a safe place to call home and the tools to thrive.

Family Promise is the leading national organization preventing and ending family homelessness, emergency shelter to help families experiencing homelessness access housing, and stabilization programs once families have secured housing.

The scale and complexity of family homelessness in Ontario County continues to grow at a rapid rate. Unfortunately, resources remain extremely limited.

According to the Ontario County Department of Social Services, family homelessness here has increased by more than 300% since 2020. The McKinney Vento data for the 2022-2023 school year reported a total of 389 students in Ontario County that experienced homelessness, a staggering 39% increase over the prior year.

As it stands today, there are zero homeless shelters in Ontario County for families with children. Family Promise of Ontario County and the Molly & Ed Shill Cares Foundation are committed to changing the narrative of this story by developing a long-term plan that will provide shelter, case management, compassion, hope, and a path forward for families in need within our communities.

This work begins with the first phase of a multi-year plan by opening the first family homeless shelter in Ontario County at 495 North Main Street, Canandaigua, NY.

This old cobblestone property was purchased by the Molly & Ed Shill Cares Foundation to donate the property to Family Promise of Ontario County to be used as a family homeless shelter. Once open, this shelter will provide shelter and intensive case management for up to 7 families with a maximum capacity of 30 individuals at a time.

Todd Bernhardt
Executive Director
Family Promise of
Ontario County

We are currently raising the funds needed to complete renovations, purchase equipment and furniture, establish an endowment fund, and build capital for operational cost associated with running a shelter.

We are extremely grateful for the generosity of the many foundations, individual donors, congregations, civic groups, and business partners that support our mission. These are aggressive goals to meet the needs of a complex problem.

To accomplish our goals, we will need the financial support of our community. We hope you will consider joining the fight to end family homelessness in Ontario County.

Kind regards,

Todd Bernhardt

Ontario County

Many Ontario County families have turned to us in their time of greatest need, and we've been there to help. Yet, countless more families are still in need of our support.

Today, we are committed to extending our reach even further.

It's difficult to believe that families in Ontario County are experiencing something no one should ever have to face—homelessness.

This is why the Molly & Ed Shill Cares Foundation is Partnering with Family Promise of Ontario County on the Sheltering Families, Building Futures campaign. Our goal is to raise \$5 million, which will allow us to open and staff Ontario County's first-ever homeless shelter for families.

We believe that no family should ever have to face homelessness alone.

This shelter, located at 495 North Main Street, Canandaigua, will be the safe haven struggling families deserve. It will be the start of something

Molly Branch Shill and Ed Shill

Molly & Ed Shill
Cares Foundation

transformative—a place where broken spirits are mended, where hope is restored, and where futures are rebuilt.

Your generous support will provide shelter—and change lives. It will provide critical services that help families rebuild their futures—job assistance, counseling, educational support, and more.

Will you join us in making this dream a reality?

Thank you for your compassion, generosity, and belief in the power of community. Together, we can bring hope where it's needed most and create a future where every family has a place to call home.

With gratitude,

Molly Branch Shill and Ed Shill

From Homelessness to Home Ownership

Ashley and her seven children, ages one through seventeen, had been doing well enough in a rental apartment in Geneva, where they'd lived for several years. She was working full time, looking toward her firstborn's high school graduation, and working to procure a Section 8 subsidized mortgage which would allow her to purchase a home – and dramatically improve her children's lives.

She was just about to submit the application when everything came crashing down. Ashley came home from work to find her apartment flooded, the ceiling and walls soaked, and water everywhere.

"One of the landlord's workers had been working in the bathroom, and he didn't reconnect a fitting properly," she said. "Water poured in for ten hours, and when I got home the place was a disaster."

The landlord blamed Ashley for the damage and served her with a notice to vacate the apartment. Overnight, the family went from secure housing and plans for home ownership to legal peril and homelessness.

This is when Family Promise of Ontario County stepped in with housing and support for the family.

"When I got the call from Jasmine that you were admitting our family into the program," Ashley said, "I felt like a prayer had been answered."

Ashley found an ideal home in a nearby town. She and the kids moved in and for the first time celebrated Thanksgiving in their house!
